# OUR COMMITMENT TO QUALITY

## PREMIUM FABRICS LAND TO PERSONALISATION EXCELLENCE

We're inspired by your business and this drives us to bring you the best - whatever style you choose; you can trust in B&C quality.

Our passion for quality knows no bounds, it is only matched by our drive to deliver the most inspiring contemporary collection for the promotional market.

We take great care in the choice of all of our fabrics. Not only must they complement the styling of each garment and ensure the wearer the highest level of comfort, they must also deliver the best results in decoration.

From T-shirts to jackets, from softshell to sweatshirts, we test all our fabrics with various decoration techniques so you can be confident that whenever you choose a B&C style you will have the perfect support for your brand or message.

# B&C CERTIFICATIONS

At B&C Collection, we believe that you shouldn't have to choose between something that looks good and something that does good too. That's why we are proud of our industry certifications.

## OCS CERTIFICATION

The B&C ORGANIC T-shirts, polo shirts and sweatshirts are made with OCS certified organic cotton. OCS, Organic Content Standard, provides an independent certification that the textiles is made with organic grown materials. The aim of this standard is to guarantee the traceability and integrity of the raw materials during all the manufacturing stages. It guarantees organic cotton purity of the style you buy.

## PETA CERTIFIES B&C AS 100% VEGAN

We're proud to announce that we are officially certified by PETA as an approved vegan brand. It means there are no animal products involved in any part of the creation of our products. PETA (People for the Ethical Treatment of Animals) is the largest animal rights organisation in the world, with more than 6.5 million members and supporters. The companies that have signed PETA's statement of assurance have verified that neither they nor their ingredient suppliers conduct, commission, or pay for any tests on animals for their ingredients, formulations, or finished products anywhere in the world and won't do so in the future.
